2,500	\$41,150

* Subject to monthly project limits

Bulk purchases

Looking for even more flexibility? Our bulk purchase option lets you add video feedback into any survey, or run on-demand studies with our community. Simply pick the volume of videos that works for you and run your projects at any time within a 12 month period...

Number of responses	Cost
1,000	\$17,900
2,500	\$37,600
5,000	\$67,600
10,000	\$107,250

Additional services

- ▶ **Translation** From **\$4.50** per response

All your videos can be quickly transcribed into any native language, translated into English, or you can opt for both
- ▶ **Sample recruitment** **POA**

Whether you need a niche sample or a multi-market audience, we've got you covered. Our global network of panel partners makes every video project possible
- ▶ **Consumer feature film** From **\$800**

Tell powerful consumer stories with a short feature film of your best responses. All enriched with custom graphics, text narratives, animated statistics and bespoke intros & outros
- ▶ **Summary reports** From **\$1,100**

Let us deliver the key findings from your project, compiling a bespoke report full of vital statistics, graphs, example responses and more
- ▶ **White labelling** **\$7,150** per year

Want to customise your account's look and feel? Brand up our portal your way with a white labelled account featuring your corporate logo and colour scheme
